1. Beauty

a. Conditioner

Local Label Name	Field Name	Current Status	Changed Status
Color Map	color_map	Optional	Required
Color	color_name	Optional	Required
Search Terms	generic_keywords	Optional	Required
Hair Type	hair_type	Optional	Required
Item Form	item_form	Optional	Required
Target Gender	target_gender	Optional	Required
Target Audience	target_audience_keywords	Optional	Required
Shelf Life	fc_shelf_life	Not Present	Required
Product Expiration Type	product_expiration_type	Not Present	Required

b. Shampoo

Local Label Name	Field Name	Current Status	Changed Status
Color Map	color_map	Optional	Required
Color	color_name	Optional	Required
Search Terms	generic_keywords	Optional	Required
Hair Type	hair_type	Optional	Required
Item Form	item_form	Optional	Required
Target Gender	target_gender	Optional	Required
Target Audience	target_audience_keywords	Optional	Required
Shelf Life	fc_shelf_life	Not Present	Required
Product Expiration Type	product_expiration_type	Not Present	Required

2. Pet Products

a. Pet Supplies

Local Label Name	Field Name	Current Status	Changed Status
Age Range Description	age_range_description	Optional	Required
Colour Map	color_map	Optional	Required
Colour	color_name	Optional	Required
Part Number	part_number	Optional	Required
Specific Uses	specific_uses_for_product	Optional	Required

3. Furniture

a. Bench

Local Label Name	Field Name	Current Status	Changed Status
Color Map	color_map	Optional	Required
Model	model	Optional	Required
Is Assembly Required	is_assembly_required	Optional	Required
Number of Items	number_of_items	Optional	Required

b. Desk

Local Label Name	Field Name	Current Status	Changed Status
Color Map	color_map	Optional	Required
Model	model	Optional	Required
Is Assembly Required	is_assembly_required	Optional	Required
Number of Items	number_of_items	Optional	Required

c. Dresser

Local Label Name	Field Name	Current Status	Changed Status
Color Map	color_map	Optional	Required
Model	model	Optional	Required
Is Assembly Required	is_assembly_required	Optional	Required
Number of Items	number_of_items	Optional	Required

4. Computer & Accessory

a. Computer Drive or Storage

Local Label Name	Field Name	Current Status	Changed Status
Data Transfer Rate	data_transfer_rate	Optional	Required
Hard Disk Interface	hard_disk_interface	Optional	Required
Hard Disk Size	hard_disk_size	Optional	Required
Number Of Items	number_of_items	Optional	Required

b. Computer Processor

Local Label Name	Field Name	Current Status	Changed Status
Computer CPU Type	computer_cpu_type	Optional	Required
Computer CPU Manufac	computer_cpu_manufac	Optional	Required
Computer CPU Speed	computer_cpu_speed	Optional	Required
Number of Items	number_of_items	Optional	Required
Processor Count	processor_count	Optional	Required

c. Motherboard

Local Label Name	Field Name	Current Status	Changed Status
Processor Socket	processor_socket	Optional	Required
Memory Slots Available	memory_slots_available	Optional	Required
Number of Items	number_of_items	Optional	Required
Ram Memory Technology	ram_memory_technology	Optional	Required

d. System Power Device

Local Label Name	Field Name	Current Status	Changed Status
Number of Items	number_of_items	Optional	Required

e. Software

Local Label Name	Field Name	Current Status	Changed Status
Brand	brand_name	Optional	Required
Colour	color_name	Optional	Required
Colour Map	color_map	Not present	Required
Format	format	Not present	Required

f. RAM Memory

Local Label Name	Field Name	Current Status	Changed Status
Memory Clock Speed	memory_clock_speed	Optional	Required
Memory Speed	memory_speed	Optional	Required
Number Of Items	number_of_items	Optional	Required
Ram Memory Technology	ram_memory_technology	Optional	Required

g. System Cabinet

Local Label Name	Field Name	Current Status	Changed Status
Form Factor	form_factor	Optional	Required
Number Of Items	number_of_items	Optional	Required
Supported Motherboard	supported_motherboard	Not present	Required

5. Cellular Phone

a. Cable or Adapter

Local Label Name	Field Name	Current Status	Changed Status
Connector Type	connector_type	Optional	Required
Number Of Items	number_of_items	Optional	Required

b. Cellular Phone Case

Local Label Name	Field Name	Current Status	Changed Status
Color Map	color_map	Optional	Required
Compatible_Phone Models	compatible_phone_models	Optional	Required

c. Screen Protector

Local Label Name	Field Name	Current Status	Changed Status
Color Map	color_map	Optional	Required
Material Type	material_type	Optional	Required
Finish Type	finish_type	Not Present	Required

d. Power Supplies and Protection

Local Label Name	Field Name	Current Status	Changed Status
Number of Items	number_of_items	Optional	Required

e. Video Card

Local Label Name	Field Name	Current Status	Changed Status
Graphics Coprocessor	graphics_coprocessor	Optional	Required
Graphics Ram	graphics_ram	Optional	Required
Graphics Ram Type	graphics_ram_type	Optional	Required
Memory Bus Width	memory_bus_width	Optional	Required
Memory Clock Speed	memory_clock_speed	Optional	Required
Number Of Items	number_of_items	Optional	Required
Graphics Card Interface	graphics_card_interface	Not Present	Required

6. Electronics

a. Camera Digital

Local Label Name	Field Name	Current Status	Changed Status
Color Map	color_map	Optional	Required
Color	color_name	Optional	Required
Display Size	display_size	Optional	Required
Effective Still Resolution	effective_still_resolution	Optional	Required
Model	model	Optional	Required
Included Components	included_components	Optional	Required
Number of Items	number_of_items	Optional	Required
Optical Sensor Resolution	optical_sensor_resolution	Optional	Required
Optical Zoom	optical_zoom	Optional	Required
Has Self Timer	has_self_timer	Not Present	Required
Lens Shape	lens_type	Not Present	Required
Model Name	model_name	Not Present	Required
Photo Sensor Size	photo_sensor_size	Not Present	Required
Photo Sensor Technology	photo_sensor_technology	Not Present	Required
Sensor Type	sensor_type	Not Present	Required
Video Capture Resolution	video_capture_resolution	Not Present	Required

b. Headphones

Local Label Name	Field Name	Current Status	Changed Status
Color Map	color_map	Optional	Required
Color	color_name	Optional	Required
Connectivity Technology	connectivity_technology	Optional	Required
Headphones Form Factor	headphones_form_factor	Optional	Required
Model	model	Optional	Required
Number of Items	number_of_items	Optional	Required
Size	size_name	Optional	Required
Special Features	special_features	Optional	Required
Included Components	included_components	Not Present	Required
Model Name	model_name	Not Present	Required

c. Printer

Local Label Name	Field Name	Current Status	Changed Status
Color Map	color_map	Optional	Required
Color	color_name	Optional	Required
Model	model	Optional	Required
Included Components	included_components	Optional	Required
Maximum Printspeed Black	max_printspeed_black_white	Optional	Required
Number of Items	number_of_items	Optional	Required
Printer Output	printer_output	Optional	Required
Size	size_name	Optional	Required
Connectivity Technology	connectivity_technology	Not Present	Required
Maximum Printspeed Color	max_printspeed_color	Not Present	Required
Model Name	model_name	Not Present	Required
Paper Size	paper_size	Not Present	Required
Printer Technology	printer_technology	Not Present	Required

d. Security Camera

Local Label Name	Field Name	Current Status	Changed Status
Connectivity Protocol	connectivity_protocol	Optional	Required
Control Type	control_type	Optional	Required
Model	model	Optional	Required
Included Components	included_components	Optional	Required
Plug Profile	mounting_type	Optional	Required
Number of Items	number_of_items	Optional	Required
Video Capture Format	video_capture_format	Optional	Required
Video Capture Resolution	video_capture_resolution	Optional	Required
Maximum Range	maximum_range	Not Present	Required
Output Type	output_type	Not Present	Required
Weather Resistant Description	weather_resistance_description	Not Present	Required

e. Speakers

Local Label Name	Field Name	Current Status	Changed Status
Include Components	included_components	Optional	Required
Number of Items	number_of_items	Optional	Required
Model Name	model_name	Not Present	Required

f. Dishwasher

Local Label Name	Field Name	Current Status	Changed Status
Annual Energy Consumption	annual_energy_consumption	Optional	Required
Capacity	capacity	Optional	Required
Color Map	color_map	Optional	Required
Color	color_name	Optional	Required
Controls Type	controls_type	Optional	Required
Included Components	included_components	Optional	Required
Sound Level	noise_level	Optional	Required
Number Of Programs	number_of_programs	Optional	Required
Voltage	voltage	Not Present	Required

g. Video Projector

Local Label Name	Field Name	Current Status	Changed Status
Number Of Items	number_of_items	Optional	Required
Maximum Throw Distance	maximum_throw_distance	Not Present	Required
Minimum Throw Distance	minimum_throw_distance	Not Present	Required

h. Air Conditioner

Local Label Name	Field Name	Current Status	Changed Status
Annual Energy Consumption	annual_energy_consumption	Optional	Required
Colour Map	color_map	Optional	Required
Colour	color_name	Optional	Required
Included Components	included_components	Optional	Required
Sound Level	noise_level	Optional	Required
Voltage	voltage	Optional	Required
Wattage	wattage	Optional	Required
Controller Type	controller_type	Not Present	Required
Energy Star	energy_star	Not Present	Required

i. Security Electronics

Local Label Name	Field Name	Current Status	Changed Status
Model	model	Optional	Required
Included Components	included_components	Optional	Required
Number of Items	number_of_items	Optional	Required

7. Media

a. Console Video Games

Local Label Name	Field Name	Current Status	Changed Status
Brand	brand_name	Optional	Required
Color	color_name	Optional	Required
Color Map	color_map	Not present	Required
Language Value	language_value	Not present	Required
Operating System	operating_system	Not present	Required
Platform	platform	Not present	Required

b. Video Game Accessories

Local Label Name	Field Name	Current Status	Changed Status
Brand	brand_name	Optional	Required
Color Map	color_map	Optional	Required
Color	color_name	Optional	Required
Language Value	language_value	Not present	Required
Platform	platform	Not present	Required

c. Video Game Hardware

Local Label Name	Field Name	Current Status	Changed Status
Brand	brand_name	Optional	Required
Color Map	color_map	Optional	Required
Color	color_name	Optional	Required
Language Value	language_value	Not present	Required
Platform	platform	Not present	Required

8. Toys and Games

Local Label Name	Field Name	Current Status	Changed Status
Assembly Time	assembly_time	Optional	Required
Included Components	included_components	Optional	Required
Is Assembly Required	is_assembly_required	Optional	Required
Maximum Age Recommended	mfg_maximum	Optional	Required
Part Number	part_number	Optional	Required
Target Audience	target_audience_keywords	Optional	Required

9. Home

a. Home Bed and Bath

Local Label Name	Field Name	Current Status	Changed Status
Manufacturer	manufacturer	Optional	Required
Model	model	Optional	Required
Number of Items	number_of_items	Optional	Required

10. Sports

a. Camping Equipment

Local Label Name	Field Name	Current Status	Changed Status
Color Map	color_map	Optional	Required
Color	color_name	Optional	Required
Department	department_name	Optional	Required
Material Type	material_type	Optional	Required
Size	size_name	Optional	Required

b. Cycling Equipment

Local Label Name	Field Name	Current Status	Changed Status
Color Map	color_map	Optional	Required
Color	color_name	Optional	Required
Department	department_name	Optional	Required
Material Type	material_type	Optional	Required
Size	size_name	Optional	Required
Fit Type	fit_type	Not Present	Required
