Items are classified as Heavy and Bulky if:

- max length, width, height > 72 inches or 183 cm, or
- weight > 22.5 kg, or
- girth > 118 inches or 300 cm (girth = [length + 2 x (width + height)])

A unit which is non-Heavy and Bulky is a Standard unit.

Heavy and Bulky items are currently not eligible for delivery nationally under Easy Ship.

Note:

- FBA weight-handling fees is computed on volumetric or actual weight, whichever is higher. Volumetric weight is calculated as volumetric weight (kg) = (length x breadth x height)/5000 where LBH are in cm.
- For the below mentioned categories, if the actual weight is less than 1kg and volumetric weight is more than 2 times actual weight, then the billing weight would be capped at 2 times the actual weight
